Presently, MVML holds 92.25% of the paid-up Equity Share Capital of the Demerged Company.

b) Description of the Scheme:

The Scheme of Arrangement provides for transfer and vesting of the Two Wheelers Undertaking of the Applicant Company along with all the estate, assets, rights, claims, title, interest, licenses, liabilities and authorities including accretions and appurtenances of the Applicant Company pertaining to the Two Wheelers Undertaking (also referred to as the 'Demerged Undertaking'), to the Resulting Company.

c) Rationale for Demerger:

The demerger of the Two Wheelers Undertaking of the Applicant Company with the Resulting Company would *inter alia* have the following benefits:

- i. The Resulting Company is present in many segments of the automotive industry e.g. Passenger & Utility Vehicles and Commercial Vehicles including Three Wheelers and Trucks & Buses.
- ii. The proposed demerger, in line with the strategy of focusing on niche premium Two Wheeler segment, would enable the Two Wheeler Undertaking to benefit from the Resulting Company's Design & Development and Sourcing capabilities.
- iii. The proposed demerger would also enable the Demerged Company enhance focus on the spares business.
- iv. The proposed demerger would also enable the Demerged Company and the Resulting Company achieve and fulfil their objectives more efficiently and in cost effective manner.

d) Salient features of the Scheme:

- i. This Scheme of Arrangement between Mahindra Two Wheelers Limited ('Applicant Company' or 'Demerged Company') with Mahindra & Mahindra Limited ('Resulting Company') and their respective shareholders and creditors is presented under Sections 391 to 394 read with Sections 100 to 104 of the Companies Act, 1956 read with notified section 52 of the Companies Act, 2013 and other applicable provisions, if any, of the Companies Act 1956/2013 (including any statutory modification or re-enactment or amendment thereof).

- iii. 'Effective Date' or 'coming into effect of this Scheme' or 'upon the Scheme becoming effective' means the last of the dates, if applicable, on which the certified or authenticated copy(ies) of the order(s) sanctioning the Scheme passed by the National Company Law Tribunal constituted under the Companies Act, 2013 ('NCLT') or any other Appropriate Authority, as may be applicable, is/are filed with the Registrar of Companies, Mumbai.
- iv. - v. The Scheme duly approved or imposed or directed by the NCLT, shall be effective from the Appointed Date but shall be operative from the Effective Date. Therefore, for all regulatory and tax purposes, the Demerger would be effective from the Appointed Date of the Scheme. Notwithstanding the above, the accounting treatment to be adopted to give effect to the provisions of the Scheme would be in consonance with Indian Accounting Standards 103 ("Ind AS 103") and the mere adoption of such accounting treatment will not in any manner affect the vesting of the demerged undertaking from the Appointed Date.
- vi. Upon the Scheme becoming operative and with effect from the Appointed Date, all debts, liabilities, contingent liabilities, duties and obligations of every kind, nature and description of the Demerged Undertaking shall also, without any further act or deed, be transferred to or be deemed to be transferred to the Resulting Company, so as to become from the Appointed Date the debts, liabilities, contingent liabilities, duties and obligations of the Resulting Company.

- vii. Sub: Recommendation of fair entitlement ratio of the minority shareholders of Mahindra Two Wheelers Limited relating to the proposed demerger of Two Wheelers business of Mahindra Two Wheelers Limited into Mahindra & Mahindra Limited

Dear Sir / Madam,

We refer to respective engagement letter whereby S.R. Batliboi & Co. LLP (hereinafter referred to as "SRBC") and SSPA & Co. (hereinafter referred to as "SSPA") are jointly appointed by Mahindra Two Wheelers Limited (hereinafter referred to as "MTWL" or "Client") for recommendation of fair entitlement ratio for the proposed demerger of Two Wheelers business (hereinafter referred to as "Target business") of MTWL into Mahindra & Mahindra Limited (hereinafter referred to as "M&M").

M&M and MTWL are hereinafter jointly referred to as the "Companies". The fair entitlement ratio for this report refers to number of equity shares of face value of INR 5/- each of M&M, which would be issued to the minority shareholders of MTWL in addition to their equity shareholding in MTWL. ("Fair Entitlement Ratio")

SRBC and SSPA are hereinafter jointly referred to as "Valuers" in this joint fair entitlement ratio report ("Report").

Recommendation of fair entitlement ratio of the minority shareholders of MTWL relating to the proposed demerger of Two Wheelers business of MTWL into M&M

SCOPE AND PURPOSE OF THIS REPORT

M&M is primarily engaged in automotive and farm equipment businesses in India and internationally. M&M was founded in 1945 and is headquartered in Mumbai. M&M's equity shares are listed on both BSE Limited ("BSE") and the National Stock Exchange of India Limited ("NSE"). M&M has reported consolidated total revenue of INR 780.2 billion and profit after tax of INR 32.1 billion for the year ended 31 March 2016.

Mahindra Vehicle Manufacturers Limited ("MVML") is a wholly owned subsidiary of M&M.

MTWL is an indirect subsidiary of M&M and a direct subsidiary of MVML. MTWL is engaged in designing & manufacturing of scooters & motorcycles. MTWL was incorporated in 2008 and is headquartered in Pune. MTWL has reported consolidated total revenue of INR 7.0 billion and loss after tax of INR 6.2 billion for year ended 31 March 2016.

We understand that the management of the Companies ("Management") are contemplating demerger of the Two Wheelers business of MTWL into M&M ("Transaction") through a Composite Scheme of Arrangement ("Scheme") under the provisions of Section 391-394 and Section 100-104 of the Companies Act 1956 and Section 52 of the Companies Act 2013. As consideration for this Transaction, the minority shareholders of MTWL would be issued equity shares of M&M. The Fair Entitlement Ratio would be determined based on the value of each equity share of M&M and the equity value of Target business per equity share of MTWL.

We understand that the proposed appointed date for the demerger will be 01 October 2016.

For the aforesaid purpose, the Board of Directors of MTWL have appointed the Valuers, to submit a joint Report recommending the Fair Entitlement Ratio, for the issue of M&M's equity shares to the minority shareholders of MTWL, to be placed before the Audit Committee/Board of Directors of the Client.

The scope of our services is to conduct a relative (and not absolute) valuation of the equity shares of M&M and Target business, and report on the fair Entitlement Ratio for the Transaction in accordance with generally accepted professional standards.

The Valuers have been appointed jointly but have worked independently in their analysis. Both the Valuers have received information and clarifications from the Management of M&M and MTWL. The Valuers have independently arrived at different values per share of M&M and Target business. However, to arrive at the consensus on the fair Entitlement Ratio for the Transaction, appropriate rounding off has been done in the values arrived at by the Valuers.

We have been provided with audited financial statements of M&M and unaudited carved out financial statements of Target business for the year ended 31 March 2016

Recommendation of fair entitlement ratio of the minority shareholders of MTWL relating to the proposed demerger of Two Wheelers business of MTWL into M&M

and unaudited financial results for M&M and Target business for the half year ended 30 September 2016. We have taken into consideration the current market parameters in our analysis and have made adjustments for additional facts made known to us till the date of our Report. The current valuation does not factor impact of any event which is unusual or not in normal course of business.

We have relied on the above while arriving at the Fair Entitlement Ratio for the Transaction.

This Report is our deliverable for the above engagement.

This Report is subject to the scope, assumptions, exclusions, limitations and disclaimers detailed hereinafter. As such, the Report is to be read in totality, and not in parts, in conjunction with the relevant documents referred to therein.

SCOPE LIMITATIONS, ASSUMPTIONS, QUALIFICATIONS, EXCLUSIONS AND DISCLAIMERS

Provision of valuation opinions and consideration of the issues described herein are areas of our regular practice. The services do not represent accounting, assurance, accounting / tax due diligence, consulting or tax related services that may otherwise be provided by us or our affiliates.

This Report, its contents and the results herein are specific to (i) the purpose of valuation agreed as per the terms of our engagement; (ii) the date of this Report and (iii) are based on the audited financial statements of M&M and unaudited carved out financial statements of Target business as at 31 March 2016, and unaudited financial statements for the half year period ended 30 September 2016. The Management has represented that the business activities of M&M and Target business including their subsidiaries and associates, as applicable, have been carried out in the normal and ordinary course between 30 September 2016 and the Report date and that no material adverse change has occurred in their respective operations and financial position between 30 September 2016 and the Report date.

A valuation of this nature is necessarily based on the prevailing stock market, financial, economic and other conditions in general and industry trends in particular as in effect on, and the information made available to us as of, the date hereof. Events occurring after the date hereof may affect this Report and the assumptions used in preparing it, and we do not assume any obligation to update, revise or reaffirm this Report.

In the ultimate analysis, valuation will have to be tempered by the exercise of judicious discretion by the Valuers and judgment taking into accounts all the relevant factors. There will always be several factors, e.g. quality and integrity of the management, present and prospective competition, yield on comparable securities and market sentiment, etc. which are not evident from the face of the balance sheets but which will strongly influence the worth of a share. This concept is also recognised in judicial decisions.

The recommendation(s) rendered in this Report only represent our recommendation(s) based upon information furnished by the Companies and other sources and the said recommendation(s) shall be considered to be in the nature of non-binding advice, (our recommendation will however not be used for advising anybody to take buy or sell decision, for which specific opinion needs to be taken from expert advisors). We have no obligation to update this Report.

The determination of Fair Entitlement Ratio is not a precise science and the conclusions arrived at in many cases will, of necessity, be subjective and dependent on the exercise of individual judgment. There is, therefore, no indisputable single Entitlement Ratio. While we have provided our recommendation of the Entitlement Ratio based on the information available to us and within the scope and constraints of our engagement, others may have a different opinion as to the Fair Entitlement

Ratio of the equity shares of M&M and Target business. The final responsibility for the determination of the Fair Entitlement Ratio at which the proposed demerger shall take place will be with the Board of Directors of the Client, who should take into account other factors such as their own assessment of the proposed Transaction and input of other advisors.

APPROACH – BASIS OF DEMERGER

We understand from the Management that the proposed Scheme of Arrangement contemplates the demerger of Target business of MTWL into M&M. Arriving at the Fair Entitlement Ratio for the proposed demerger of Target business of MTWL into M&M would require determining the relative values of Target business attributable to each equity share of MTWL and the equity shares of M&M. These values are to be determined independently but on a relative basis, and without considering the current Transaction.

Recommendation of fair entitlement ratio of the minority shareholders of MTWL relating to the proposed demerger of Two Wheelers business of MTWL into M&M

There are several commonly used and accepted methods for determining the Entitlement Ratio for the proposed demerger of Target business of MTWL into M&M, which have been considered in the present case, to the extent relevant and applicable, including:

1. Market Price method
2. Comparable Companies Quoted Multiples method
3. Discounted Cash Flows method
4. Net Asset Value method

It should be understood that the valuation of any company/business or its assets is inherently imprecise and is subject to certain uncertainties and contingencies, all of which are difficult to predict and are beyond our control. In performing our analysis, we made numerous assumptions with respect to industry performance and general business and economic conditions, many of which are beyond the control of the Companies. In addition, this valuation will fluctuate with changes in prevailing market conditions, the conditions and prospects, financial and otherwise, of the Companies, and other factors which generally influence the valuation of Companies and their assets.

The application of any particular method of valuation depends on the purpose for which the valuation is done. Although different values may exist for different purposes, it cannot be too strongly emphasized that a valuer can only arrive at one value for one purpose. Our choice of methodology of valuation has been arrived at using usual and conventional methodologies adopted for transactions of a similar nature and our reasonable judgment, in an independent and bona fide manner based on our previous experience of assignments of a similar nature.

Market Price ("MP") Method

The market price of an equity share as quoted on a stock exchange is normally considered as the value of the equity shares of that company where such quotations are arising from the shares being regularly and freely traded in, subject to the element of speculative support that may be inbuilt in the value of the shares. But there could be situations where the value of the share as quoted on the stock market would not be regarded as a proper index of the fair value of the share especially where the market values are fluctuating in a volatile capital market. Further, in the case of a merger/demerger, where there is a question of evaluating the shares of one company against those of another, the volume of transactions and the number of shares available for trading on the stock exchange over a reasonable period would have to be of a comparable standard.

Comparable Companies' Quoted Multiple ("CCM") Method

Under this method, value of the equity shares of a company is arrived at by using multiples derived from valuations of comparable companies, as manifest through stock market valuations of listed companies. This valuation is based on the principle

Recommendation of fair entitlement ratio of the minority shareholders of MTWL relating to the proposed demerger of Two Wheelers business of MTWL into M&M

that market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.

Discounted Cash Flows ("DCF") Method

Under the DCF method the projected free cash flows to the firm are discounted at the cost of capital. The sum of the discounted value of such free cash flows is the value of the firm. Using the DCF analysis involves determining the following:

Estimating future free cash flows:

Free cash flows are the cash flows expected to be generated by the company that are available to all providers of the company's capital – both debt and equity.

Appropriate discount rate to be applied to cash flows i.e. the cost of capital:

This discount rate, which is applied to the free cash flows, should reflect the opportunity cost to all the capital providers (namely shareholders and creditors), weighed by their relative contribution to the total capital of the company. The opportunity cost to the capital provider equals the rate of return the capital provider expects to earn on other investments of equivalent risk.

Net Asset Value ("NAV") Method

The asset based valuation technique is based on the value of the underlying net assets of the business, either on a book value basis or realizable value basis or replacement cost basis. This valuation approach may be used in cases where the assets base dominates the earnings capability. A Scheme of Arrangement would normally be proceeded with, on the assumption that the companies/ Companies amalgamate as going concerns and an actual realization of the operating assets is not contemplated. The operating assets have therefore been considered at their book values.

Out of the above methods, the Valuers have used methods as considered appropriate by them respectively.

BASIS OF DEMERGER

The basis of demerger of Target business of MTWL into M&M would have to be determined after taking into consideration all the factors and methods mentioned hereinabove. Though different values have been arrived at under each of the above methods, for the purposes of recommending the Fair Entitlement Ratio of equity shares, it is necessary to arrive at a single value of Target business attributable to each equity share of MTWL and M&M. It is however important to note that in doing so, we are not attempting to arrive at the absolute equity values of Target business and M&M but at their relative values to facilitate the determination of the Fair

Recommendation of fair entitlement ratio of the minority shareholders of MTWL relating to the proposed demerger of Two Wheelers business of MTWL into M&M

Entitlement Ratio. For this purpose, it is necessary to give appropriate weights to the values arrived at under each method.

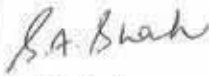

The Fair Entitlement Ratio has been arrived at on the basis of a relative equity valuation of Target business attributable to each equity share of MTWL and M&M based on the various methods explained herein earlier and various qualitative factors relevant to each company and the business dynamics and growth potentials of the businesses, having regard to information base, key underlying assumptions and limitations.

Valuers, as considered appropriate, have independently applied methods discussed above and arrived at their assessment of value per share of the Target Business attributable to each equity share of MTWL and M&M. To arrive at the consensus on the Fair Entitlement Ratio for the proposed merger, suitable rounding off have been done in the values arrived at by the Valuers.

In light of the above, and on a consideration of all the relevant factors and circumstances as discussed and outlined hereinabove, we consider that the Fair Entitlement Ratio for the proposed demerger of Target business of MTWL into M&M should be a ratio of 1 (One) equity share of M&M (of INR 5/- each fully paid up) for every 461 (Four Hundred and Sixty One) equity shares of MTWL (of INR 10/- each fully paid up).

We have examined only the fair and equitable basis for the fair exchange ratio for the shareholders and not examined any other matter including accounting and tax matters involved in the proposed merger.

REPORT ADOPTED BY THE BOARD OF DIRECTORS OF MAHINDRA TWO WHEELERS LIMITED AT ITS MEETING HELD ON 27TH APRIL, 2017 AS PER THE PROVISION OF SECTION 232(2)(c) OF THE COMPANIES ACT, 2013 AT GALAXY CONFERENCE ROOM, 2ND FLOOR, MAHINDRA TOWERS, P. K. KURNE CHOWK, WORLI, MUMBAI – 400 018.

The demerger of the Two Wheelers Business, inter alia, consisting of the entire undertaking, business, activities and operations pertaining to the Two Wheelers Business ("Two Wheelers Undertaking") of the Company ("MTWL" or "Company") from MTWL to Mahindra & Mahindra Limited ("Resulting Company" or "M&M") and its transfer as a going concern with effect from 1st October, 2016 or such other date as may be directed or approved by National Company Law Tribunal ("the Appointed Date"), as per the Scheme of Arrangement between MTWL and M&M and their respective Shareholders and Creditors ("the Scheme"), was approved by the Board of Directors vide Board Resolution dated 3rd December, 2016.

Subsequent to the Meeting of the Board held on 3rd December, 2016, the provisions of section 230 to section 232 of the Companies Act, 2013, inter alia, governing power to compromise or make arrangements with creditors and members, merger and amalgamation of companies have become operative with effect from 15th December, 2016. This report is submitted in pursuance of the said provisions.

Considering the share exchange ratio of 1 (One) equity share of M&M (of INR 5/- each fully paid up) for every 461 (Four Hundred and Sixty One) equity shares of MTWL (of INR 10/- each fully paid up) as recommended by Independent Valuers viz. M/s. S.R. Batliboi & Co. LLP and M/s. SSPA & Co in their Joint Valuation Report, supported by a Fairness Opinion expressed by SBI Capital Markets Limited and as approved by the Board of Directors, the effect of the Scheme would be as follows:

1. In consideration of the shares held by the Non Promoter shareholders in MTWL, such Non Promoter shareholders will be allotted equity shares in M&M and such equity shares will form part of public shareholders of M&M.
2. In consideration of the shares held by Mahindra Vehicle Manufacturers Ltd., the Promoter shareholder in MTWL, Mahindra Vehicle Manufacturers Ltd. will not be allotted equity shares in M&M, since the promoter shareholder is a wholly owned subsidiary of M&M and as per the provisions of Companies Act, 2013, a subsidiary company cannot hold shares in its holding company.
3. The Key Managerial Personnel ("KMPs") of MTWL do not hold any shares in MTWL, except for one share held by Mahindra Vehicle Manufacturers Limited jointly with a KMP.
4. There would be a dilution to the extent of the shareholding in M&M held by the KMPs of MTWL, if any, on account of issuance of shares by M&M to the non-promoter shareholders of MTWL.
5. Re-organisation of issued, subscribed and paid-up equity share capital of MTWL by reducing face value and paid up value of equity share capital of Rs. 10 each to Re. 0.02 each, of all shareholders of MTWL, which comprises of promoter and non-promoter shareholders of MTWL.

As on the date of this Report, the Company has no other class of shareholders.

The demerger of the Two Wheelers Business, inter alia, consisting of entire undertaking, business, activities and operations pertaining to the Two Wheelers Business ("Two Wheelers Undertaking") of Mahindra Two Wheelers Limited, a subsidiary of the Company ("MTWL" or "Demerged Company") from MTWL to the Company ("Resulting Company" or "the Company") and its transfer as a going concern with effect from 1st October, 2016 or such other date as may be directed or approved by National Company Law Tribunal ("the Appointed Date"), as per the Scheme of Arrangement between MTWL and the Company and their respective Shareholders and Creditors ("the Scheme"), was approved by the Board of Directors vide Board Resolution dated 3rd December, 2016.

Subsequent to the last Meeting of the Board held on 3rd December, 2016, provisions of section 230 to section 232 of the Companies Act, 2013, inter alia, governing power to compromise or make arrangements with creditors and members, merger and amalgamation of companies have become operative with effect from 15th December, 2016. This report is submitted in pursuance of the said provisions.

Considering the share exchange ratio of 1 (One) equity share of the Company (of INR 5/- each fully paid up) for every 461 (Four Hundred and Sixty One) equity shares of MTWL (of INR 10/- each fully paid up) as recommended by Independent Valuers viz. M/s. S.R. Batliboi & Co. LLP and M/s. SSPA & Co in their Joint Valuation Report, supported by a Fairness Opinion expressed by SBI Capital Markets Limited and as approved by the Board of Directors and taking into account the fact that there will be no allotment of shares to the Promoters or Key Managerial Personnel ("KMP") of the Company, the effect of the scheme would be dilution in percentage shareholding of Promoters and KMP and increase in the percentage shareholding of non-promoters, as a class, to the extent of issue of shares to the shareholders of MTWL (other than Resulting Company and/or any subsidiary of Resulting Company).

As on the date of this Report, the Company has no other class of shareholders.

INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF SPECIAL PURPOSE CONDENSED FINANCIAL STATEMENTS

TO THE BOARD OF DIRECTORS OF MAHINDRA TWO WHEELERS LIMITED

1. We have reviewed the accompanying Special Purpose condensed financial statements of **MAHINDRA TWO WHEELERS LIMITED** ("the Company"), which comprise the Special Purpose Condensed Balance Sheet as at December 31, 2016, the related Special Purpose Condensed Statement of Profit and Loss, Special Purpose Statement of Changes in Equity and Special Purpose Condensed Cash Flow Statement for the six months ended December 31, 2016, and selected explanatory information.

The Special Purpose condensed financial statements, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard ("Ind AS"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

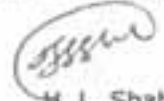

2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
3. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Special Purpose condensed financial statements, does not present fairly, in all material respects, the state of affairs of the Company as at December 31, 2016 and of its loss including other comprehensive income, its cash flows and changes in equity for the period then ended, in accordance with generally accepted accounting principles in India.
